Guinness World Record Set with Dixon Golf Wind Ball

TEMPE, ARIZ., May 2, 2014 – Ryan Winther, 2012 RE/MAX World Long Drive Champion, broke his own world record in golf ball speed off the tee with a Dixon Wind ball on Saturday April 11, 2014 in Rancho Murieta, California.

Winther was hosting the inaugural Ryan Winther Charity Golf Classic at Rancho Murieta Golf & Country Club when he set the world record. The Guinness Book of World Records was in attendance to witness and document his 235.1 mph hit off the tee, which surpassed the previous 217.1 mph record.

“Our Wind ball is specifically designed for ultimate distance and Ryan certainly took our ball to a whole new level,” says William Carey, CEO of Dixon Golf. “Congratulations to Ryan, we hope he continues to play the Dixon Wind ball to elevate his game.”

The Charity Golf Classic benefits Jr. Golf Foundations, including the Morton Golf Foundation. The tournament and free golf clinic was officially hosted by Rancho Murieta Country Club.

This record marks the first Guinness Book of World Records accolade for Dixon Golf.

Dixon Golf, a Tempe, Ariz. based company, is the world’s only manufacturer of a high performance, eco-friendly family of golf balls. Borne from a desire to limit its impact on the environment, from core to cover, from packaging to production, Dixon Golf is setting a new standard in environmental consciousness. Dixon Golf believes in being socially responsible and has donated more than \$1,000,000 to charities nationwide since 2012. The Dixon family of golf balls is distributed internationally and conforms to USGA standards.
